Registration of Interest: Sacrament of Confirmation

The Sacrament of Confirmation is an important step in our faith journey. Normally in this parish we celebrate Confirmation every two years, dependent on the number of applicants. No date has yet been set for 2020. If we have enough eligible children, we will set dates for a Confirmation Programme and for the actual Confirmation itself. We invite young people who will be aged 13 years or over by 31st May 2020 to register their interest **by 17th February** 2020. Please complete this registration of interest form and return it by that date.
Once we have an indication of potential candidates, we will inform you when the next Confirmation Programme will begin. It is hoped that young people wishing to be confirmed will attend Sunday Mass regularly.
